For questions 9-11 watch this video

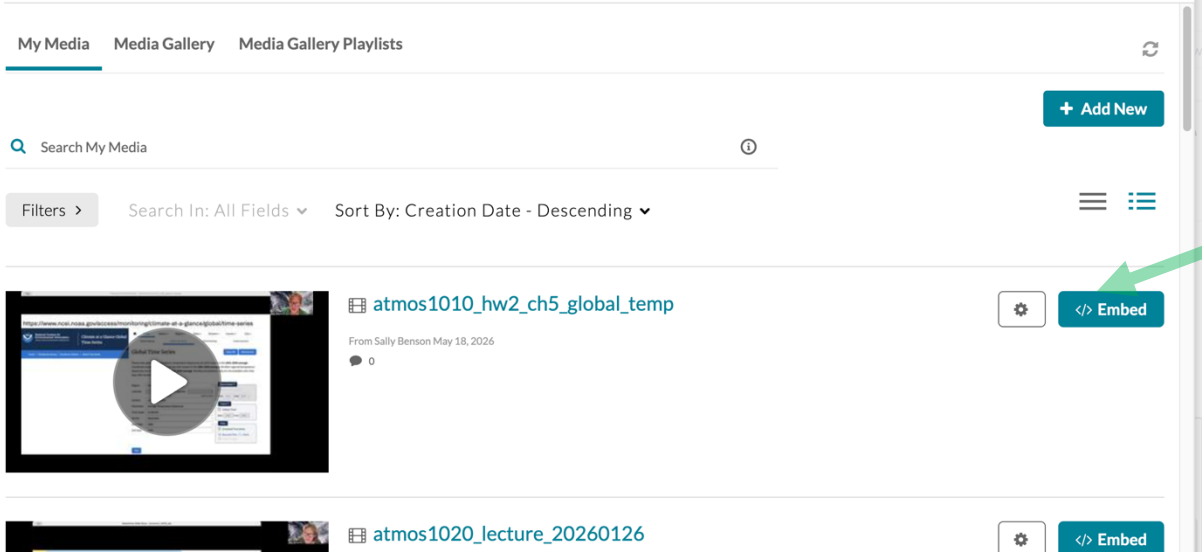

For questions 14-22, watch this video

64 words

1. I am trying to embed a video here.

2. I click on the Kaltura button.

Embed Kaltura Media

The screenshot shows the Kaltura Media interface. At the top, there are navigation tabs: "My Media", "Media Gallery", and "Media Gallery Playlists". Below this is a search bar labeled "Search My Media" and a filter section with "Filters >", "Search In: All Fields", and "Sort By: Creation Date - Descending". A list of media items is displayed. The first item is titled "atmos1010_hw2_ch5_global_temp" and is dated "From Sally Benson May 18, 2026". To the right of this item, there is a gear icon and a blue "Embed" button. A green arrow points from the text "3. I select my video" to this "Embed" button. Below the first item, another item titled "atmos1020_lecture_20260126" is partially visible, also with a gear icon and an "Embed" button.

3. I select my video

Embed Kaltura Media

4. The content is never retrieved.
